

P-12 SCHOOLS: Green and Clean Energy Solutions

ATTACHMENT A: PROGRAM APPLICATION

Submit complete application packages to **P12Schools@nyserda.ny.gov**. For ease of identification, all electronic files should be named using the Applicant's name in the title of the document. Please refer to Program Opportunity Notice (PON) 4157 Section IV. Cost-Sharing and Section V. Direct Incentives for full eligibility and complete application package requirements.

Applications may be submitted by the school, school district, or by a representative authorized by the school. Incentives will be distributed to the Applicant. One Program Application may be submitted for multiple offerings and buildings operated by a single school or school district. Email questions to **P12Schools@nyserda.ny.gov**.

APPLICANT INFORMATION

Applicant Legal Name _____

Parent Company / Main School District Name _____

Address _____ City _____ State _____ Zip _____

Contact Name _____ Title _____

Phone (include area code) _____ Extension _____ Email Address _____

SCHOOL OR SCHOOL DISTRICT INFORMATION

School Building Name (if different from above): _____

School Building Address (if different from above): _____

Do all schools named on the application contribute to the System Benefits Charge (SBC) on their electric utility bill?

☐ Yes ☐ No

Are schools named on the application categorized by the New York State Education Department as [High-Need?](#)
(All Applications will be checked for potential inclusion to receive benefits).

☐ Yes ☐ No

Electric Utility Company: _____

Building Ownership Type: ☐ Public ☐ Private ☐ Charter

Please indicate which program offerings you intend to apply for under this application (select all that apply):

- ☐ **Energy Studies:** Eligible schools may receive cost-sharing for energy studies focused on load reduction and opportunities for conversion to carbon free fuels.
- ☐ **Clean Heating and Cooling and/or Net Zero:** Eligible schools may receive cost-sharing for the design of Clean Heating and Cooling and/or Net Zero projects.
- ☐ **Direct Incentives:** Eligible schools may receive direct incentives for measures including, but not limited to, eligible building envelope, controls, and operation and maintenance, and energy load reduction projects.

If you are applying for direct incentives, please indicate in the box below which measures you are applying for and list their associated measure number. The list of direct incentives and measure reference numbers may be found on the [P-12 website](#).

P-12 SCHOOLS: GREEN AND CLEAN ENERGY SOLUTIONS TERMS FOR APPLICANTS

I, the Applicant, certify that the school(s) or school district named in the application, Attachment A, are interested in receiving cost-shared services and/or incentive through PON 4157. The Applicant certifies that the information provided is true to the best of their knowledge. As part of study or design projects, NYSERDA will oversee the third party energy consultant's progress and results in completing the scope of work, provide technical review of any applicable deliverable or energy load reduction measures, and be available to address any questions or concerns which arise during the conduct of this project. As applicable, the Applicant certifies that direct incentive measures have been installed on equipment or systems with a minimum of 6 years of remaining useful life and are operational at time of application.

The Applicant acknowledges that participation in PON 4157 will result in solicitation of free Clean Heating and Cooling technology screenings and Benchmarking services by consultants under contract to NYSERDA.

Applicant certifies that NYSERDA does not provide any endorsement of the third party energy consultant's capabilities to provide services outside of the Scope of Work to be conducted pursuant to this agreement. Applicant acknowledges that NYSERDA is not responsible for assuring that the design, engineering, or installation of any recommendation of the technical service is proper or complies with any particular laws (including patent laws), codes, or industry standards.

Applicant understands that this application may not be approved if the requirements of the Program are not met. The Applicant understands that services through the Program are contingent on compliance with the Program Terms and Conditions, Attachment B of PON 4157.

NYSERDA does not make any representations of any kind regarding the results to be achieved or the adequacy or safety of any recommendation. NYSERDA does not endorse, guarantee, or warrant any particular manufacturer or product, and NYSERDA provides no warranties, expressed or implied for any product of service.

I understand that by signing below I, the Applicant, am certifying that:

- 1) I am authorized to commit my organization to the terms of this Application; and
- 2) I have read, understand, and agree to the Program terms and conditions, Attachment B.

I, the Applicant, authorize the New York State Energy Research and Development Authority (NYSERDA), and its designated representatives, to access energy billing and consumption data for the participating site(s). This authorization automatically terminates at the end of eight years following the execution date of the Purchase Order associated with this Application. As an authorized representative of the site(s) listed in this Application, I authorize NYSERDA, and its designated representatives, to access and utilize any and all energy consumption information and data. I understand that this information will be used to evaluate energy use patterns for the purpose of measuring energy performance and determining the potential and actual energy savings resulting from evaluated or implemented energy projects. I agree to cooperate with activities designed to evaluate program effectiveness, such as responding to questionnaires and allowing on-site inspection and measurement of installed measures. I understand that NYSERDA is subject to the NYS Freedom of Information Law, Public Officers law, Article 6, and that NYSERDA cannot guarantee confidentiality of any information submitted.

I, the Applicant, authorize NYSERDA to add me to the mailing lists and to share my information with New York State government and other entities doing business on NYSERDA's behalf. I reserve the right to unsubscribe at any time.

The Applicant certifies the number provided is the correct taxpayer or employer identification number (or I am waiting for a number to be issued to me); I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and I am a U.S. citizen or other U.S. person (as defined in IRS Form W-9).

AUTHORIZED SIGNATORY FOR APPLICANT

Authorized signatories must be authorized to represent the school(s) or school district named on the application, Attachment A.

SIGNATURE: _____

NAME AND TITLE: _____

FEDERAL ID#: _____

SCHOOL OR SCHOOL DISTRICT SIGNATORY *(only required when the school or school district is not the applicant)*

I, the school or school district, authorize the Applicant to participate in the Clean Fuels for Schools Program on behalf of the school or school district named on the application, Attachment A. I have read P-12 Schools: Green and Clean Energy Solutions Program and agree to all program terms and conditions. I acknowledge and understand that all program funds and incentives will be distributed to the Applicant.

SIGNATURE: _____
